## How Do I Raise Money?

**First set an Individual Goal!  
A Goal of \$100 can easily be attained.  
Just follow the suggestions on this page.**

**Bowl-a-Thons are the biggest opportunity for Junior Achievement to reach a broader audience for support. This event gives individuals the chance to help JA change kids' lives. People asking Individuals to give makes the Bowl-a-thon a success. After all, Junior Achievement benefits everyone.**

### **It's easier than you think!**

A few time-tested, sure-fire, easy ways to reach and surpass your goal:

1. **ON-LINE:** Create your own web page and e-mail to hit list. Follow directions on JA website – [www.nwf-ja.org](http://www.nwf-ja.org)
2. **RAFFLE TICKETS:** Collect \$2.00 donation for each raffle ticket for donor to receive chance to win Laptop (\$300 value) donated by Wal-Mart.
3. **USE A HIT LIST:** Make a list of people that you see as possible donors. Many times after the fact, bowlers think about people that they should have asked, those that would be easy, but they never made a list and missed many opportunities. Include yourself, your friends, neighbors, fellow workers, boss, doctor, lawyer, just about anyone is a prospect, but you have to ask. It really is easy, and Junior Achievement is worth supporting.
4. **MATCHING GIFTS:** If your company has a Matching Gifts Program, funds matched by your company also count toward your individual and team goals.
5. **ASK BIG!** Start out asking for larger donations. It's much easier to negotiate downward than upward. Tell your friends that you are trying to reach a certain goal in order to change more kids' lives.
6. **REMEMBER** – you are asking people to invest in our effort to inspire and prepare young people to succeed in a global economy.

**Set a personal and team goal  
Event goal is \$60,000**
